With no permanent residence, homeless children often stop going to school -- the one place that should provide structure in a life of transition. Founded in 1989, A Child's Place is a collaborative effort between the Charlotte community and Charlotte Mecklenburg Schools. The goals of A Child's Place are to: provide stable, appropriate education to homeless students; provide support services to enhance their opportunities for academic success; and provide services to families to ensure long-term stability and self-sufficiency.

*\$10 minimum donation to A Child's Place, payable at the door. Currently no membership dues.*
